Self Care and Prioritizing Ourselves

Happy Monday everyone! (ha. Mon. Mon)

We hope that things are starting to wind down as we are nearly two (!!) the next week of the year. In the spirit of break - we'll be hosting our first wellness event of the semester, **Self Care and Prioritizing Ourselves**, on Thursday, November 29th at 5:30pm in the Commons! We'll have a couple of guest speakers to chat with us and care while the YSL's University Life Fellows will be hosting a wellness and stress relief activity. Come by to relax, destress, and learn how to be a little more kind to yourself. Also, we'll have a couple of Ambassador Office Hours and a Student Shoutout to learn more about, so if you need anything!

SafetyNet is a new fund for you and regularly funds to meet unexpected financial need. Students in the undergraduate financial aid program (including Questbridge students) can use this platform on a more to-need basis. Funds granted through SafetyNet could cover unexpected expenses like emergency travel, medical bills, food, books, transportation, and personal expenses not covered by financial aid.

In addition, you can request Winter Clothing Grants (if you are from an area that typically does not get heavy snow in the temperature). Winter clothes can be expensive. Apply for the grant, and if approved, come see one of our ambassadors to get other practical tips on how to stay warm this winter.

"Graduate school has helped to liberate my thinking, to provide a diverse circle of friends and colleagues, to introduce me to the joys of travel, and to give me confidence in myself as a teacher and scholar. It has also given me a network of people who, I trust, will give me a world of shared values, of meaningful community."
